

## HERE ARE YOUR PET ID TAG STICKERS

Thank you for choosing Pet ID Global as your pet's information partner! Now you have a very affordable easy-to-use electronic pet records management service that provides instant access to your pet's vital information.

MOHD MONU 1144 LUCKNOW - 32543 UTTAR PRADESH, INDIA

### Fast Setup

This revolutionary technology works on complete autopilot to setup your system as soon as you register. Your pet's unique QR code is generated and a card/sticker set will be ready for delivery!

### Dedicated Support

We have a team of experts who are readily available to give you the support you need at any time. If you have any questions, just call our support and we would be glad to help.

### Guaranteed Uptime

Because we understand how important to be able to access your pet's information at any given time, our system is built on a trusted platform available 24/7. So you don't have to worry about downtime at all.

## Account Medical

Our mission is to dramatically reduce the potential of your pet becoming hurt and increase the chances of being found by providing the latest in QR technology for pets. Additionally, our ID system provides a great way to pass your pet's information to your vet.

## How to Contact Us

Give us a shout if you have any questions or ideas on how we can better serve you!

## Instructions for Use

Your Smart stickers consist of a unique QR code specifically designed to open your pet's information on any device when scanned. The information shown is in your control. When setting up your information, you decide what to include for others to see when needed.

We suggest attaching stickers to both sides of your pet's existing ID tag.
